MOVING IMAGE ARTS A-LEVEL

Moving Image Arts (MIA) is a practical subject with hands-on film production at its core, and is believed to be the best film qualification in schools across Europe.

The qualification is based on the study of film history and theory, as well as a portfolio & final film which participants research, develop, write, produce, direct, shoot and edit.

MIA is an ideal choice for students wishing to pursue a career in the Creative Industries, which value and promote independence, originality, creative enterprise and technical skill. The course develops creative and critical abilities in writing, producing, directing and editing, as well as analysing films from a range of contexts and disciplines.

Students aged up to 19 years old are welcome and must be well-motivated and able to commit to 100% attendance at the agreed course dates in Inverness, which will be at weekends and during school holidays.

The Moving Image Arts A-level is accredited by the *Council for the Curriculum, Examinations and Assessment* (CCEA) in Northern Ireland, delivered by Eden Court and funded by Screen Scotland.

Here at Eden Court, we're proud to provide the opportunity to gain LAMDA qualifications in both Acting and Musical Theatre from entry level up to Elite Grade 8. Weekly evening classes allow students the support and experience to prepare for the annual exams hosted here in Inverness each Spring.
