CONFERENCES + EVENTS

Welcome

Eden Court is the largest and most versatile conference venue in the North of Scotland, based in the heart of the city. We pride ourselves on years of experience of successfully running a broad range of conferences and events.

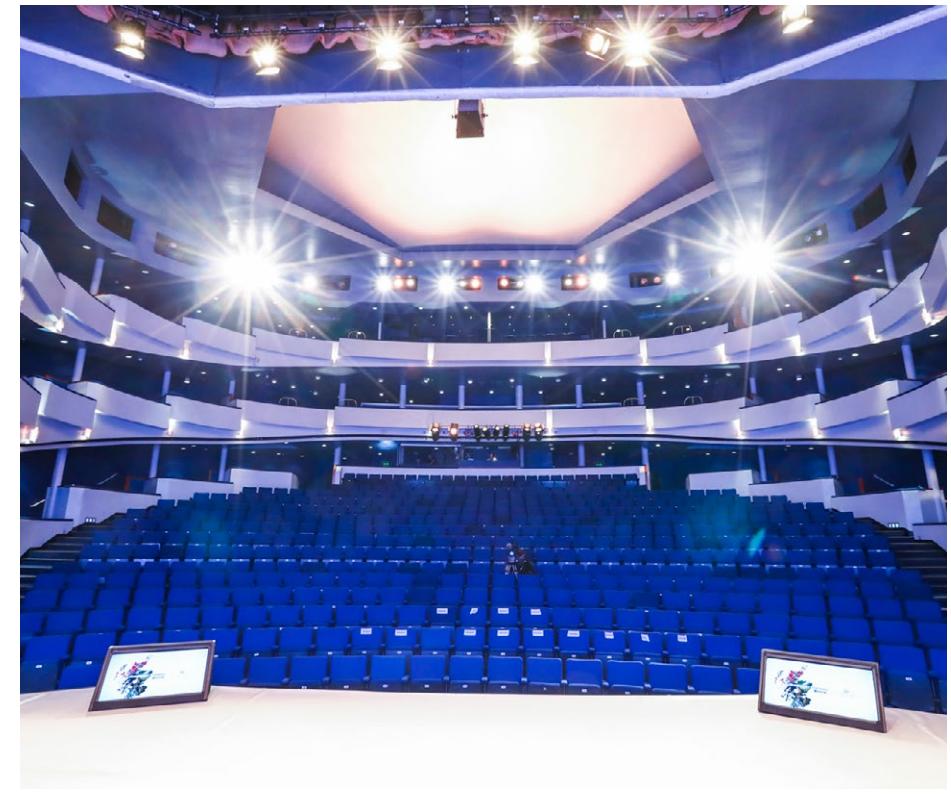

Located in the heart of Inverness, on the banks of the River Ness, Eden Court is only a ten-minute walk from the train station with excellent links to Aberdeen, Glasgow, Edinburgh, London and the rest of the UK.

Inverness Airport is only twenty minutes away and has short daily direct flights to London Luton, Gatwick and Heathrow, Manchester, Birmingham, Bristol, Belfast, Amsterdam and Dublin.

Inverness offers a unique destination blending the vibrancy of the thriving city and the great outdoors. Your guests will experience diverse landscapes; culture and heritage that will feed their imagination and provide memorable experiences for those working, seeking activities or wanting relaxation.

Venues

Spanning over three centuries of architecture, our unique all-purpose venue boasts state-of-the-art facilities. Eden Court hosts over 100 non-performance events annually, ranging from private dinners to conferences of 800 delegates.

THEATRES

EMPIRE THEATRE

Named after the original Edwardian Theatre in Inverness, the Empire Theatre is the largest space in Eden Court.

Key features:

- Stage
- Built-in lighting and sound
- Air conditioning
- Loading bay

SET-UP	Theatre
CAPACITY	840

ONETOUCH THEATRE

The OneTouch Theatre is a modern and flexible theatre space making it the most versatile at Eden Court.

This space has retractable seating which easily turns this from a theatre setting into a flat floored exhibition or dining space.

Key features:

- Retractable stage and seating
- Built-in lighting and sound
- Air conditioning
- Loading bay
- Accessible seating

CINEMAS

Our cinema spaces are modern, bright and perfect for presentations.

Both cinemas have a raised stage in front of the screen with enough space for speakers, lectern, or top table. The raked seating offers excellent visibility regardless of where you are seated. The seats themselves have been specifically designed to ensure maximum comfort and also benefit from generous legroom.

The cinema screens are an impressive size, with surround sound, and have a terrific audio visual impact for your guests or delegates.

BISHOP'S PALACE

The stunning nineteenth-century Bishop's Palace provides a unique environment for guests. The three event rooms are linked together by the Douglas Baxter Hall – an area with wood panelling, a sweeping staircase and a vaulted timber ceiling that is ideal for receptions and catering breaks for the meeting rooms.

Key features:

- Natural lighting
- Riverside views
- Period features
- Accessible

OUTDOOR SPACES

At Eden Court, no space is off limits. If you are interested in using the outside terrace, lawn areas or car park for your event, let us know.

Our iconic stretch tent is also available to hire.

TECHNICAL

Our stage, lighting and sound technicians are among the best in the industry and will add an extra dimension to your conference. All of the spaces within the venue have data projection and audio visual capabilities. We also offer hybrid and live streaming event options.

The theatre and cinemas are equipped with a two channel infra-red hearing assist system and a portable version is available for other areas.

WI-FI

Wi-Fi networks and Ethernet ports are accessible from all areas of the building. With the help of our own in-house IT Support, our network can be customised to suit your needs.

CATERING

Our team will work with you to create a bespoke catering package for your event.

Our paper cups and lids are fully compostable, as well as all of our takeaway plastic cups, straws, cutlery and plates.

ACCESSIBILITY

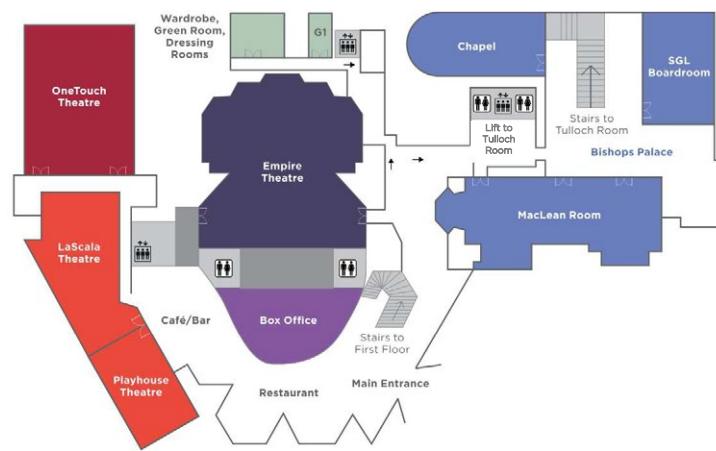

All venues are accessible to delegates with extra requirements and our staff are trained to work closely with all delegates to ensure their comfort throughout your event, regardless of any additional requirements they may have.

If you have any delegates with complex requirements please get in touch.
